

Sheboygan County Historical Museum Full-Day Student Education Programs

Journey to Sheboygan County

A Day of School at the Museum: Journey to Sheboygan County

The students will step back in history and learn about the people who migrated from the eastern United States and who moved from Europe to settle in Sheboygan County in the 19th century.

More than a “field trip” the students’ visit to the museum allows them to meet classroom objectives while interacting with artifacts to engage their imaginations along with their problem-solving skills.
